

Cheryl M. Ambrose, CHST, OHST
Vice President of Enterprise Risk Management
National Roofing Contractors Association
www.nrca.net

Cheryl Ambrose joined the National Roofing Contractors Association in 2021 as the Director of Enterprise Risk Management and was promoted to Vice President of Enterprise Risk Management in 2023. Prior to joining NRCA, she was the National Health, Safety, and Environmental Administrator for the United Association, the labor union representing plumbers, pipefitters, sprinkler fitters, welders, and service techs in the U.S. and Canada. Cheryl has 29 years of experience as a construction safety and health professional where she has worked in a variety of leadership roles from project safety manager to corporate and national safety director. She holds a bachelor's degree in occupational safety and health from Columbia Southern University and an associate degree in business management.

Cheryl holds the Construction Health and Safety Technician (CHST) and Occupational Health and Safety Technician (OHST) certifications through the Board of Certified Safety Professionals (BCSP). She has been a member of the American Society of Safety Professionals (ASSP) for over 20 years. She actively represents NRCA on numerous national committees including the NIOSH NORA Construction Sector Council, American National Standards Institute (ANSI) A10 Construction Standards Committee where she chairs and/or participates in numerous subgroups. Cheryl holds numerous trainer certifications in construction safety. She has developed and facilitated trainer courses on several topics, working with national organizations including CPWR-The Center for Construction Research and Training, Department of Energy, and National Institute of Environmental Health Sciences. She was selected in 2020 to serve on OSHA's Advisory Committee for Construction Safety and Health (ACCSH).
