

Mike Silvers

Mike Silvers, CPRC is the Director of Technical Services and oversees FRSA technical committees including Codes and the FRSA-TRI Tile Manual Review. He has held a Florida roofing license since 1983 and possesses 50 years of roofing and fabricating experience. Mike served as FRSA President 1994-1995, is a Life Member and recipient of FRSA's highest honor, the Campanella Award. He represents FRSA at Florida Building Commission and Technical Advisory Committee meetings and, finally, Mike is a Founding Trustee of the FRSA Educational Foundation for which he serves as a codes and technical educator. You can read Mike's monthly columns in Florida Roofing magazine.
