

Paul Sohi

Paul Sohi has proudly served as the Health, Safety, and Environment Director for the Asphalt Institute for over a decade. Prior to joining the Institute, he held significant roles at the International Liquid Terminal Association and the Aluminum Association. Additionally, Paul has experience as a contractor with the US EPA at their headquarters in Washington, D.C., where he successfully managed new chemical approvals under the TSCA program. He holds both a Master's and a Bachelor's degree in Chemical Engineering.
