

R. Michael (Mike) Anderson

Director of Research and Laboratory Services
Asphalt Institute
Lexington, Kentucky

Mike Anderson has worked for the Asphalt Institute (AI) in Lexington, Kentucky since 1991, currently serving as the Director of Research and Laboratory Services. He is the staff representative for AI's Technical Advisory Committee and Roofing Technical Advisory Committee.

Mike started his career in the asphalt industry in 1987 with the Kentucky Transportation Cabinet, Division of Materials as asphalt mix design engineer. He continued his career as a laboratory manager and quality control engineer for H.G. Mays Corporation before joining AI.

He is a member of several professional organizations including the Association of Asphalt Paving Technologists (AAPT), International Society for Asphalt Pavements (ISAP), Canadian Technical Asphalt Association (CTAA), Transportation Research Board (TRB), and Association of Modified Asphalt Producers (AMAP). Mike served AAPT as President in 2008-09 and, since 2013, has served as its Executive Director. Since 2014 he has also served as Executive Administrator of ISAP.

Mike has been an author or co-author of numerous published peer-reviewed technical papers, manuals, and reports, and is a registered professional engineer in Kentucky.
