

*Laurand Lewandowski has been in the asphalt/roofing industry for over 30 years. Laurand currently is the Director of Asphalt Innovation for Owens Corning (10 Years).*

*Prior to that Laurand was the VP of Market Development for PRI Asphalt Technologies and before that Director of Asphalt Technology for GAF. The first part of his career he spent time in the paving industry in a variety of different roles from a business leader to a consultant. Laurand received his bachelor's degree in chemistry from Carnegie Mellon University and Ph.D. Polymer Science from the University of Akron. In his spare time, he likes spending time with his kids, traveling, and golfing.*
